Sparkling news to Barida!

Barida inaugurates a year full of sparkling news!

A completely new website to discover all the peculiarities of Barida machines working the champagne method: small jewels of technology carefully designed and constantly evolving to meet the particular productive needs.

A pre and post sales service on the cutting edge through a reserved area accessible to companies with username and password ensuring a hotline with Barida for a rapid exchange of information thanks to a FTP platform.

Sign up now for the newsletter and enter the sparkling world of Barida: just one click and you will be constantly updated with previews on all news concerning the production, participation in fairs and events, etc ... directly to your mailbox.

Come to visit us on www.baridaenologica.com
